

# Khmer Fast Castle Boom

- **Difficulty:** Intermediate
- **Civs:** Khmer
- **Perfect uptime to Feudal:** 13:40
- **Good under:** 13:55

## Dark Age

x6		4-7	6 villas to sheep under tc, shift queued to next sheep
x4		7-11	4 villagers to wood
x1		11-12	One villager lures a boar
x1	 + 	12-13	Send one villager to build a house and move him to wood after
x4		13-17	Send 4 villagers to berries
x3		17-20	Build 3 farms before reaching pop 20
x3		20-23	Send 3 villagers to gold
x1	 or 	23-24	Send 1 villager to sheep or to straggler tree
		24	Click up to Feudal (Don't get Loom)
		24	Keep spending all your extra wood on farms with villas from sheep/straggler

- As usual, pushing deer is not necessary but really helpful
- Khmer farm bonus is the key of this Build Order
- Don't forget to click up immediately to Castle Age when you reach Feudal Age since there are no buildings restrictions

## Feudal Age

Click up to Castle Age straight when you get to Feudal (remember that Khmer civ needs no buildings)

Research Double-bit axe and keep building farms but save up wood for 2 extra Town Centers

## Castle Age

Build 2 extra Town Centers with 3 villagers on each

Get Bow saw (lumber camp upgrade)
